The Midtown Community Benefits District will host a festive community gathering to engage and promote safer communities in our district. We will be meeting in Pearlstone Park (opposite the Meyerhoff) at Howard and Preston. There will be safety information and activities as well as food and giveaways. We encourage all our neighbors in Midtown to participate and come out for the National Night Out Against Crime.

After the community gathering we encourage you to sit out on your front steps and be present on your block.

If you would like to volunteer to help or join the planning task force please contact Jovonne Lewis at 410-528-1512 or email Volunteer@midtowncommunity.org
